

# 5<sup>th</sup> Grade Outdoor School

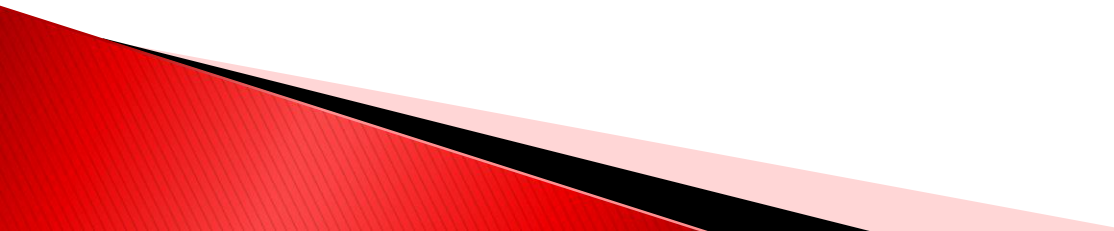

# What is it?

- It is a very exciting opportunity that we sincerely hope every student will be able to be a part of.
  - Every time the 5<sup>th</sup> graders go, they can't stop talking about it all year.
- 

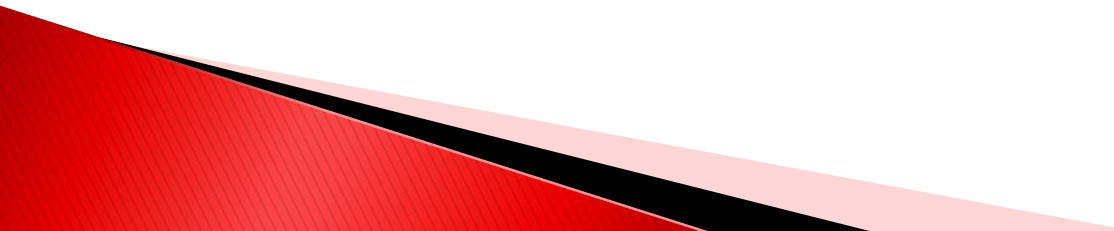

# What are some of the activities?

- We want the students to feel like a cohesive team. They came from 3 different schools and didn't get a field trip opportunity last year.
  - The students will be participating in many activities which include, but are not limited to:
    - Team building activities
    - Zip line
    - Science experiments
- 

# Why is it important?

- This camping opportunity allows students to gain new science skills in a hands on manner, bond with new classmates, and make connections with their teachers and administrators.
  - It also allows students to understand the importance of working cooperatively with a team.
- 

# Where is it?

- We go to Outdoor School at Camp Lakeview in Waxahachie.
  - We encourage parents to visit.
  - The employees at the camp, run all of the activities, which allows the teachers to participate with the students and make connections with them.
- 

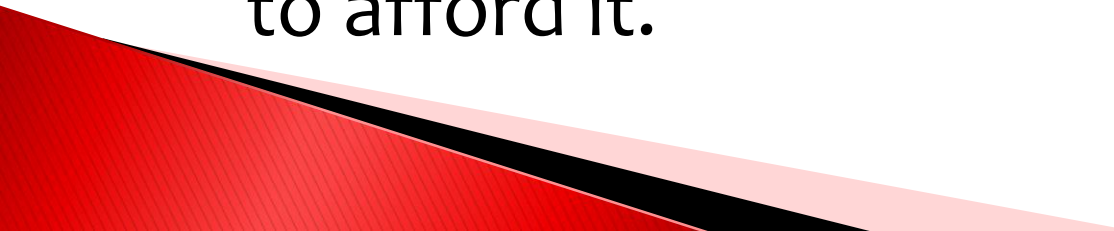

# When is it?

- Each team goes at a different time:
- Team Columbia (Smith, Stinson, Whiting, Padilla)
  - Oct. 26 – Oct. 27
- Team Tulane (Randle, Gonzales, Pettigrew, Miller)
  - Nov. 1 – Nov. 2
- Team Vanderbilt (Holovach, Teal, Bond)
  - Nov. 9 – Nov. 10

# What time is it?

- ▶ We leave school as close to 9:00 as possible... depending on the bus
  - ▶ We will have a campfire the second evening around 7:00.
  - ▶ Parents and family members are welcome to come out that evening to the campfire.
  - ▶ If you choose to come out, you can sign your child out and take them home with you.
  - ▶ If you are unable to join us out at camp in the evening, the students will come home on the bus and return to the school around 8:00 for you to pick up.
- 

# How much is it?

- \$130 per student
    - Includes: 5 hot meals and all activities
    - It also includes the unique experience to bond with friends, teachers, administrators, parents and make new friends
    - We are also accepting donations to scholarship students who may not be able to afford it.
- 

# Can I chaperone?

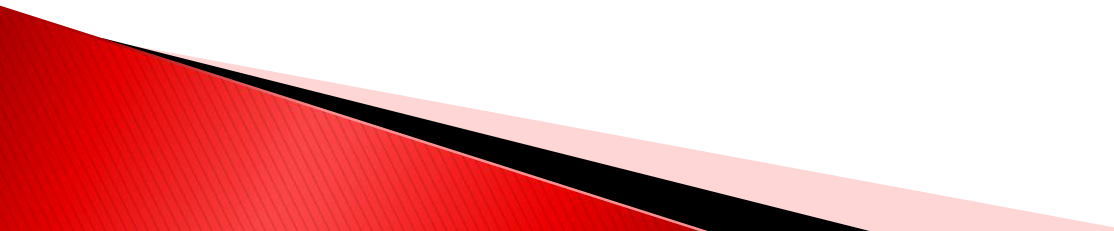

- Yes! We do not do a lottery! We want as many parents that can come with us to be there to enjoy this opportunity.
- The cost is \$60 for the chaperones.
  - That includes 5 hot meals and participating in all the activities right along with the kids.
- I am dad wit a daughter or a mom with a son, can I still chaperone?
- You need to fill out the Volunteer Background check by Oct. 15.
  - MISD website, Parents, Campus Volunteers and Background Checks

# When can I pay for camp?

- You can begin paying immediately.
- The easiest way is to pay online.
  - Go to [tickettracker.com](http://tickettracker.com)
  - Type in Asa in the search box
  - Click on Mansfield ISD – Asa Low Intermediate
  - Choose Admin/School Fees
  - Choose Fee
  - Then 5<sup>th</sup> Grade Camp Lakeview
  - Fill out the information
- You can pay by cash or check as well.

# Other Points of Interest:

## ➤ Medication

- If you are going to camp, you can give your own child their medication.
  - If you are not, there was a form in your packet to fill out. Just bring the medications in their original container the morning of camp and put them all in a Ziplock bag with the form filled out.
  - Your child will receive the bag back at the end of the second day to bring home.
- 

# Other Points of Interest:

## ➤ S'mores

- If you can donate large marshmallows, you can start sending those anytime!
- If you can donate fudge striped cookies, you can also start sending those at anytime!

# What to bring to school that day for camp:

- Sleeping bag or sheet and blanket, pillow
- Clothes to sleep in and clothes to wear the second day with an extra pair of socks and an extra set of clothes.
- Do not send “good clothes”. They will get dirty. Clothes need to be in dress code.
- Rain gear (boots, umbrella)
- Flip flops for the shower, towel and toiletries
- Small backpack (like a drawstring backpack)
- Refillable water bottle... does not have to be an expensive one. It can just be a plastic water bottle that the kids can refill at water stations.
- Bug spray, Suntan lotion, Hat, Jacket
- Flashlight
- Kids will not be allowed to use their phones while at camp

## Other Points of Interest:

- Students, chaperones, and teachers will be outdoors 90% of the day.
- I am first aid, CPR, and AED certified.
- All teachers are trained at giving out medication.
- I will have a golf cart out there to get to students quickly and in case of emergencies and I will be the only one driving it.
- Parents and students will not be able to be on the golf cart unless it is an emergency.

# COVID Protocols

- ▶ They (camp personnel) wipe down shared items more often than usual...after each group
  - ▶ Dining hall staff still wears masks
  - ▶ Nothing is self-serve in the dining hall except drinks (we as teachers always monitor that)
  - ▶ We can spread out in the cafeteria.
  - ▶ We also tell the kids to sleep head to foot... basically so they are not breathing on each other
  - ▶ Parents are asked to keep students home if they have been exposed or are displaying symptoms
  - ▶ Staff at Lakeview are screened when they come into work
  - ▶ Sanitizing stations are available all over the camp before using equipment
  - ▶ Students who exhibit symptoms will be placed in isolation until a parent or guardian can pick them up within a reasonable amount of time.
- 

**NO JUMPING NEAR EDGE**

**NO SOMERSAULTS**

# LAKEVIEW

— CAMP AND RETREAT CENTER —

LAKEVIEW  
CAMP AND RETREAT CENTER

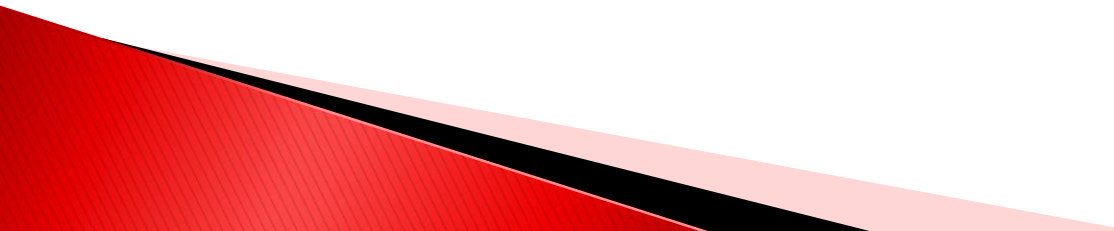

**THIS IS MY SUPER**

**EXCITED FACE**
