Dear parents of seniors:

Now is the time to purchase a senior tribute for your son/daughter who will graduate in May 2019. Collect all the pictures you would like to include and create a message so you can honor your senior with a special place in their 2019 *The Tiger* yearbook. The steps are easy: choose a size, write a message, choose your pictures and send them all (plus payment) to the MHS Journalism Department (Room J1, drop off in office or mail to) by **Friday, November 2, 2018**.

It's that easy...well...easier said than done. We know it can be difficult to narrow down your picture selection. Please choose pictures both you and your student will be happy with. Additionally, please limit the number of photos you submit per tribute size (Full: 15; Half: 8, Quarter: 4; Eighth: 2). You do not have to turn in that amount, but to ensure your son/daughter's images are visible, we do suggest limiting yourself to these guidelines. We do ask, too, that you identify which image you would like to be the dominant image on the tribute (biggest). Please send a mix of horizontal and vertical photos, if possible.

To align with our theme this year, the color of your son/daughter's name (and the box around it) will match the dominant color of what you identify as your dominant photo. Example: In the photo you identify as the dominant, your senior has a baby blue shirt on....the name and box around it on the tribute will be changed to match that color, baby blue.

The font, style and design of your senior's name will be consistent throughout the senior tribute section. You do have an opportunity to choose the font of the message on the tribute, but all names will be presented the same way (see examples). The only change for the name is the color. This is to help ensure cohesiveness in our design theme.

You are not limited to how long your message is, but please keep in mind that the longer the message is, the smaller the font will have to be to accommodate.

### Submissions:

All photos **MUST** be submitted as .JPG files with high-quality resolution to reproduce correctly in the yearbook. You **MUST** submit all images electronically (CD, DVD, flash drive or e-mail (2019MHSTributes@gmail.com)) to ensure accuracy and quality. \*\*\*\*We will not publish collages.\*\*\*\* Please submit the entire picture...we will crop it to get it to fit. Again, please provide both horizontal and vertical photos to give some flexibility when designing your senior's tribute.

We must receive your materials (photos, message, order form, payment, etc.) by **Friday, November 2**. Please do not send partial submissions; all pictures should be included with order information and payment OR sent via e-mail (2019MHSTributes@gmail.com) by **November 2**. **We prefer you send images to our e-mail address and deliver or mail payment and order form to MHS.**

Regardless of how you submit photos, it is **ESSENTIAL** to turn in your order form and payment to the MHS Journalism Department to ensure we receive your order. If you just send an e-mail, your order is incomplete and will not be processed nor included in the yearbook.
